THE NEW BRUNSWICK GREAT WAR GEOCACHING PROJECT

THE NEW BRUNSWICK GREAT WAR GEOCACHING PROJECT

The New Brunswick Great War Geocaching Project (NBGWGP) was commissioned by the Gregg Centre for the Study of War & Society. The aim of the Project is to commemorate the valiant service and sacrifice of the thousands of New Brunswick men and women who answered the call to arms for King and Country. The GeoTrail is intended to focus on the soldiers of New Brunswick and those that supported them. It is our hope that you will learn from this GeoTrail and spend a moment reflecting on the sacrifices at home and abroad. Lest We Forget
